THINGS TO NOTE

MINISTRY TO OUR SR. SAINTS

You are invited to be a part of a powerful ministry. For over a year we have had 3 teams of people lead short worship services at Abilene Place Assisted Living (now named Homestead of Abilene). We are currently reorganizing and adding people to these teams. If you have been, or would like to be a part of this precious ministry, please let Marilyn Meehan know, or call the church office. We will have an informational meeting for all participating or interested, directly after 2nd service today, April 28th in the coffee area.
